2014 Accounting Written examination

Accounting principle: Reporting period Explanation: The bad debt is an expense for the current reporting period and it should be recognised and matched against the revenue earned within the same reporting period so that an accurate profit can be determined under accrual accounting. Two alternative answers to this question were accepted.

2014 Accounting examination report

Wages payable refers to the wages that a company's employees have earned, but have not yet been paid. Under the accrual method of accounting, this amount is likely recorded with an adjusting entry at the end of the accounting period so thatâ€¦ Read More.
