In view of such questions, it is requisite to establish principles that will guide assessmentâ€™s implementation. Towards such an end, the American Association for Higher Education

Introduction The Purpose of Assessment

Psychological testing is the administration of psychological tests, which are designed to be "an objective and standardized measure of a sample of behavior". The term sample of behavior refers to an individual's performance on tasks that have usually been prescribed beforehand. The samples of behavior that make up a paper-and-pencil test, the most common type of test, are a series of items.

The ACT (/ eÉª s iÉ• t iÉ• /; originally an abbreviation of American College Testing) is a standardized test used for college admissions in the United States. It was first introduced in November 1959 by University of Iowa professor Everett Franklin Lindquist as a competitor to the Scholastic Aptitude Test (SAT). It is currently administered by ACT, a nonprofit organization of the same name.

ACT (test) - Wikipedia

The ACT Center for Equity in Learning (CEL) supports research that focuses on closing gaps in equity and achievement. Our goal is to produce actionable evidence to guide thought leadership, and inform changes in policy and practice, that will lead to improved learning and achievement.
