Ever been teaching collecting like terms (simplifying) and just needed 20 questions you could put up on your interactive white board to set the pupils off on? Looking for the questions to be differentiated according to ability and for the answers to be on the next slide? If so, check out this pdf ...

4 great resources for teaching collecting like terms in

John Stuart Mill (1806â€“73) was the most influential English language philosopher of the nineteenth century. He was a naturalist, a utilitarian, and a liberal, whose work explores the consequences of a thoroughgoing empiricist outlook.

John Stuart Mill (Stanford Encyclopedia of Philosophy)

The White Books have 3 key goals: 1) Identify the key strategies to be taught/ learnt at each year level. 2) Provide a progression of strategies which build on what a student has learnt at the previous year level.

In ethics, value denotes the degree of importance of some thing or action, with the aim of determining what actions are best to do or what way is best to live (normative ethics), or to describe the significance of different actions. What makes an action valuable may in turn depend on the ethic values of the objects it increases, decreases or alters. An object with "ethic value" may be termed an ...
