Several papers investigated the relationship between penile dimensions and somatometric parameters. The main findings are summarised below. Stretched flaccid length appears to be an excellent estimate of erect penile length, which for some individuals presenting to clinical settings, may indicate ...

Am I normal? A systematic review and construction of

Bob Jones University v. United States, 461 U.S. 574 (1983), was a decision by the United States Supreme Court holding that the religion clauses of the First Amendment did not prohibit the Internal Revenue Service from revoking the tax exempt status of a religious university whose practices are contrary to a compelling government public policy, such as eradicating racial discrimination
