

contract law questions and pdf

A contract is a promise or set of promises that are legally enforceable and, if violated, allow the injured party access to legal remedies. Contract law recognises and governs the rights and duties arising from agreements. In the Anglo-American common law, formation of a contract generally requires an offer, acceptance, consideration, and a mutual intent to be bound.

Contract - Wikipedia

Formation. A contract is an agreement between two or more parties creating reciprocal obligations enforceable at law. The elements of a contract are mutual consent, offer and acceptance, consideration, and legal purpose.
